

UNITED STATES FORCES – AFGHANISTAN

COMMAND ATTENTION REQUIRED

PER MG TIMOTHY McHALE -- DCDR-S, USFOR-A

SMOKE DETECTOR MAINTENANCE CHECKS REQUIRED

Smoke detectors are the first line of defense and must be kept in working order so they provide early warning when fire danger is present.

IMPORTANT INFORMATION TO REMEMBER:

- **Check** all smoke detectors monthly in conjunction with the monthly fire extinguisher checks.
- Never **remove** the battery when it starts beeping, but do **replace** the battery immediately.
- Never **deactivate** a smoke alarm when it becomes dirty with dust, **clean it** with compressed or canned air.
- **Complete** regular PMCS on smoke detectors the same as you would a fire extinguisher.
- **Replace** broken or malfunctioning smoke detectors immediately.

"SAFETY IS INTEGRAL TO THE WARRIOR"

COORDINATE IMMEDIATELY WITH MAYOR'S CELL OR GARRISON COMMAND FOR REPAIR OR REPLACEMENT OF BROKEN SMOKE DETECTORS!!!
